Re: the acquisition of Door No. I in Mission Road, VI Division, Bangalore City, declared under Notification No. 4265-C/M1 dated 28th November 1940 for extending the compound of New Municipal Offices Bangalore City.

1. The extent of the land notified for acquisition is as follows.

Vacant Land	4338 Sq. ~~feet~~ yards
Latrine	200 Sq. feet.
Compound	699 R. Feet.
Iron gate	43 Sq. feet.
Trees	three.

Preliminary notice was served on Rev. L.F. Thomas Secretary and Treasurer of the London Mission Society on 29-7-1941. In response thereto a written statement has been filed and Mr. -- Kolandavelu, the Principal of the United Mission High School also appeared along with Miss Tidball. The former has given a statement on behalf of the claimants. Their objection is mainly to the acquisition of the whole of the notified area of the property on the ground that this would result in closing the entrance to the school. They further represent that they want land on the southern side of the proposed new road connecting the Sydney circle with the Lalbagh Road. This request will have to be considered independently by the Municipal Council. I have inspected the land. In view of the representations of the party, I think that the entire area notified need not be acquired. It is sufficient if an extent of 2893 sq. yards of land as shown in the revised sketch is acquired. The Municipal Engineer has prepared a revised valuation statement and I agree with his view and make the following award.
